I. What is your connection or interest in this case? \* For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

We are customers of Utilities, Inc.

2. Please give a concise statement of your protest. \* (This section must be completed. Attach additional information if necessary.)

The amount of our water bill each month is horrendous. We are down to only 2 of us in our household as our children are now grown, and it's absurd to have bills each month totally 70.00. We don't even plant anything anymore because we can't afford the water to keep our plants and flowers alive. We never drink the water as it has an odor. We are very conservative with our water use because of the expense. We just cannot abide a rate increase. We are already paying way too much.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony?  $^*$ 

We will need to know when the hearing is to see if we are able to appear, but know we'd like to.
